

Hankensbüttel, the 13th
January

Dear Benjamin Luca,

How are you Benjamin? We want to care for you. How is it in Cochabamba? What's your hobby? Do you know that today, on the 31st March it's your Namesday? What are you going to do today, at your Namesday? What are your plans for the future? We're the 7FLB: of the Gymnasium Hankensbüttel. In some lessons like Geography, History and of course course English we speak on English because we are an Bili class. Our class is polite we are even 28 pupils.

We hope you stay happy and healthy.

And Nice Wishes,
your 7FLB!

PS: If you wonder what's an Namesday you celebrate your name on your Namesday and we hope that the people who care for you, will answer us.
